1,1 loaves of bread sit on bench
Blue plastic filled with food
Woman with tiny bit of donut
Held between her left thumb and forefinger
On the bench with head up eyes nowhere
Her right hand resting on her right knee
Propping up her upper body
Her mouth O'd like earth
On moonless night Wails over
The ground of red river of blood
From holes in head of woman
clothed with red cotton dress two
splayed legs on which two pink slippers
Tears of one mouth
